EDUCATION

Master of Science
University of Mumbai

06/2023 - Present   *Pursuing*

Courses
- Computer Science

Bachelor of Science
Mahatma Phule Arts, Commerce and Science College, Panvel

06/2021 - 05/2022   *8.3*

Courses
- Information Technology

PROJECTS

Employee Management System
- Developed a full-featured web-based application to manage employee records using Java, JSP, Servlets, and MySQL.
- Implemented core CRUD operations (Create, Read, Update, Delete) with a structured DAO pattern for clean separation of logic.
- Styled the front end using HTML, CSS, and JSP, and integrated a responsive user interface for efficient record management.
- Handled user input validation, error handling, and real-time data updates through dynamic JSP pages.

Personal Portfolio Website
- Designed and developed a responsive personal portfolio website to showcase projects, skills, and achievements.
- Built using HTML, CSS, JavaScript, and deployed via GitHub Pages.
- Implemented smooth navigation, interactive elements, and optimized layout for both desktop and mobile devices.
- Integrated project links, contact form, and external profiles (GitHub, LinkedIn) for professional visibility.

TODO's List
- TODO's List is a clean and interactive task manager built using HTML, CSS, and basic JavaScript
- It allows users to add, mark, and delete tasks, making daily task management simple and efficient
- The project demonstrates fundamental front-end functionality through a practical and user-friendly interface.

SKILLS

`Core Java` `C#` `SQL` `HTML` `CSS`
`JavaScript` `Data Structures and Algorithms`

ACHIEVEMENTS

Solved 200+ Problems on online coding Platforms.

ORGANIZATIONS

Asahi India Glass Ltd. (05/2024 - Present)
Managed back office operations, generating and maintaining Excel-based reports, ensuring accurate data handling and administrative support.

CODE CRAFT (05/2025 - 06/2025)
Completed a one-month virtual internship as a Full Stack Web Development Intern. Worked on building and deploying responsive web applications using HTML, CSS, JavaScript, Java, and MySQL. Received outstanding feedback for performance and dedication.
